STATEMENT FOR ANIMAL CARE FOR LEAVENWORTH COUNTY FAIR LIVESTOCK EXHIBITORS

The Leavenworth County Fair and Livestock Show is the showplace for animal agricultural and animal care for Leavenworth County livestock producers, 4-H and FFA members. All animals and livestock shown, housed, or displayed shall receive care that is humane, healthful, stress free, and consistent with public expectations. Cruelty, neglect, or indifference to animal com-fort and welfare will not be tolerated and will constitute grounds for removal from the premises. Ample feed and clean water will be provided to all animals consistent with sound animal husbandry practices and with rules and regulations set forth by the Leavenworth County Fair Association and the Leavenworth County 4-H Council. The environment in which animals are kept will be always clean and sanitary. Animals experiencing illness, injury, or discomfort will be professionally attended by a veterinarian. Exhibits shall reflect the care and concern that all Leavenworth County and Kansas producers have for livestock.

4. All livestock and horses (including draft horses) are subject to inspection by the fair veterinarian and animals showing evidence of infection or contagious diseases will be removed from the fairgrounds. The management reserves the right to inspect all livestock for the use of illegal drugs. Violators will forfeit all prizes and could be subject to criminal charges.
 - a.) Withdrawal times for drugs, growth promotants, and other approved materials: Exhibitors, their parents, leaders, and instructors have a serious responsibility to use animal health aids (drugs), growth promotants and any other approved materials with great care, and only when needed and in correct amounts. Approved withdrawal times are set and must be followed to assure that meat customers receive is wholesome food.

The Fair Board Management reserves the right to have a blood, urine and/or tissue laboratory analysis made on any animal including horses and draft horses entered in competition. An exhibitor of an animal producing an analysis with a quantity of di- uretic or any unapproved or illegal medication will forfeit all prizes and premiums and may be barred from future competition at the Leavenworth County Fair. 5. Livestock entered as a definite breed need not have the certificate of registration, but must show definite characteristics of that breed, the judge having the right to declare an animal not eligible to compete. This rule means that good grades of a definite breed may compete in the breed of their sire.
6. **No blocking chutes in any barn at any time.** Blocking chutes are not to be placed in any location blocking a road, walkway, or manure disposal area. The management reserves the right to move any blocking chutes placed in an unsuitable area. Exhibitors are expected to keep blocking chutes and surrounding areas neat and clean.
