

2026 Leavenworth County Fair Youth Livestock Auction

SALE BILL

July 31st, 2026 @ 7 p.m.

The **Leavenworth County Fair Youth Livestock Auction** is a **premium-only sale for market animals**. All bids made during the auction are premium contributions that directly support our 4-H and FFA exhibitors. **Animals for personal consumption are not sold through the auction.**

Buyers who wish to purchase an animal for personal use may make arrangements **privately and directly with the exhibitor**. Any private sale, payment, processing, or transportation arrangements are separate from the Youth Livestock Auction and are not coordinated by the Auction Committee.

Your participation in the premium auction directly rewards the hard work and dedication of our local 4-H and FFA members. These youth spend countless hours raising, caring for, and preparing their livestock projects while developing valuable skills in **responsibility, agriculture, financial management, and business**.

Thank you for supporting the **2026 Leavenworth County Fair Youth Livestock Auction** and for investing in the next generation of agricultural leaders. **Your support makes a lasting difference for our youth and our community.**
